Public Consultation

Cork City and County Councils are preparing a Cycling Network Plan for the Cork Metropolitan Area that aims to establish a comprehensive, high quality and consistent cycling network to cater for a variety of cycle trips across the City and surrounding suburbs.

We are holding two public consultation events and require your views on:

- Opportunities for new routes;
- The current cycling network;
- Possible route upgrades; and
- General comments on cycling experiences in Cork

All people with an interest in cycling in Cork are invited to attend.
